Number of children working		On-Farm? FT: PT:			Off-Farm:		

## Farm Profile

Closest Village/Town:				GPS Co-ordinates:			
Agro-Tourism based:				Agro-processing based:			
Organic Status:		Organic:	Non-organic:	Semi-organic:			
Total Farm Acreage:							
Main Location/Centre of farming activity:						No. of other Plots:	
Plot Number	1	2	3	4	5	6	7
Location of Plot							
Size of Plot							
Tenure (self-owned, rented, family-owned, squatted, communal etc):							
Percentage under use							
Land use (crop, livestock, mixed)							
Cropping System (mixed or Pure Stand)							
Main Crops							
Main Livestock							
Organic/Non-organic							
Percentage under Fallow							
Percentage under Pasture							
Percentage Forest							
Feeder Road Access (Y/N)							
Farm Access Road (Y/N)							
Use of Machinery (Y/N)							

## Water Availability

On-Farm Irrigation: Yes..... No.....

Plot Number	1	2	3	4	5	6	7
Location of Plot							
Rain fed (Y/N)							
Irrigation (Y/N)							
Source of water							
Private or Public System							
Months of availability							
Storage Capacity Available (Gallons)							
Cost of Water							

## Land and Soils

Plot Number	1	2	3	4	5	6	7
Location of Plot							
Topography***							
Drainage (Good/Bad)							
Soil Type****							
Soil Erosion Present (Y/N)							
Wind Erosion (Y/N)							
Soil Conservation Measures (Y/N)							

\* Cropping System: MC-Mixed Cropping or PS-Pure Stand

\*\* Livestock Production System: I-Intensive, SI-Semi-Intensive or NI-Non-intensive

\*\*\* Topography: F-Flat, GS-Gentle Slope, NS- Not so Steep, S-Steep, VS-Very Steep etc.

\*\*\*\*Soil Type: C-Clay, S-Sand, SC-Sandy Clay, SltC-Silty Clay, CL-Clayey Loam, L-Loam, SL-Silty Loam, and LS-Loamy Sand.

## Farm Labour

Total Number of Labourers:									
	Local	Foreign	Family	Hired				Other	
				Daily	Wkly	Mthly	Part-time	Tourist/ Volunteer	Cote Main
Type (√)									
Number									
Wages (rate)									
Type of Work									
Hours									
Availability*									
No. of Labourers Needed Presently									

Availability\*: RA - Readily Available, A- Available, NRA-Not Readily Available, Not Available

## Road Access

Plot Number	1	2	3	4	5	6	7
Location of Plot							
Main/Feeder Road (Y/N)							
Distance from Farm							
Surface Type							
Surface Condition							
Drainage Condition							
Farm Road Access? (Y/N)							
Length of Farm Access Road (Feet)							
Surface Type							
Surface Condition							
Drainage Condition							

**Off-Farm Activities**

Group/Organization	No. of Years Involved	Position (s) Held	Time spent for Organization (Monthly)

If you are not a member of a farmers' organization state reasons why:
